CYPRUS

An island drenched in sun and mythology, at the crossroads of ancient civilizations. 9,000 years of history gathered together on one island. Cyprus packs a remarkable array of sights and attractions, museums and archaeological parks, throbbing beach resorts, pine covered mountains, medieval fortresses and ancient temples. The remarkably rich legacy in archaeological treasures and highly developed infrastructure, make Cyprus one of the most attractive meeting places of the world.

Nicosia is a sophisticated and cosmopolitan city, rich in history and culture that combines its historic past with the amenities of a modern city.
